

JOIN ST. PAUL'S BOOSTER CLUB!

Membership Form 2017-18

Because a strong athletic program encourages children to participate and builds school pride. In the last several years, our teams have won more than 20 league championships in various sports and the Booster Club will only assist in adding to this total. The school budget can't supply everything our team's need, and that is where you come in.

Who are the Athletic Boosters? We will be a group of community members-parents, teachers, students, alumni, coaches, business owners, and neighbors-who help support our teams by donation and raising funds, and helping with set-up at sporting events.

What will Boosters do? Throughout the year, we will be meeting with coaches and faculty to determine a list of priorities for each and every sport.

What can you do? Join us! And work with us to help make our sports programs a success. Your paid membership and any additional donation will be used to fund important athletic expenses that can't be covered otherwise.

Thank you for supporting the Athletic Program at St. Paul's Catholic School!

Mark Jackson
Booster Club President
